

24th EG/VGTC  
Conference on Visualization  
Rome, Italy

Invitation to sponsor EuroVis 2022, the 24th Annual Conference of the Eurographics Working Group on Data Visualization and supported by the IEEE Visualization and Graphics Technical Committee (IEEE VGTC).

EuroVis 2022 will take place in Rome, Italy, from the 13th till the 17th of June. EuroVis has been a Eurographics and IEEE co-supported international visualization symposium held in Europe annually since 1999. For several years, EuroVis has been accompanied by co-located events.

The objective of EuroVis is to foster greater exchange between visualization researchers and practitioners, and draw more researchers and industry partners in Europe to enter this rapidly growing area of research. EuroVis has an expanded scope that includes all areas of visualization, and a steadily growing visibility that achieves a more widespread impact.

The Full Week event attracts participants from around the world, world-leading academics as well as representatives of major commercial research divisions. In total, we expect between 300 and 350 participants.

We invite you to consider becoming a sponsor of EuroVis 2022:

- If you want to extend your contacts in the rapidly growing field of data visualization and other related domains
- If you want to increase your visibility to conference attendees representing industries, academia, and labs in the areas of computer graphics, data visualization, high performance computing, etc.
- If you want to give your company access to recruiting opportunities

EuroVis 2022 is the right place for you!

The large majority of conference attendees are decision makers, so sponsoring EuroVis 2022 can give you the valuable opportunity to reach these key targets!

The sponsorship opportunities outlined below are a guide, are open to negotiation. Do not hesitate to contact us if you require more information or are thinking on a different way to supporting the conference. We welcome invited talks from industrial partners, although the number of slots may be limited. The following description serves as a guide for the standard sponsorship levels: bronze, silver, gold, and platinum.

24th EG/VGTC  
Conference on Visualization  
Rome, Italy

### Bronze 1.500 €

- Logo as Contributor in Final Conference programme

- 1 Exhibitor pass (coffee breaks, lunches and access to the exhibition area included)
- Advertisement in the final programme
- Sponsor's roll-up poster will be displayed at the main entrance and/or highly frequented conference areas

### Gold 4.000 €

On top of Silver advantages:

- 1 full registration pass
- Possibility of giving a technical talk/panel
- Your logo will be featured prominently on web site and promotional material

### Platinum 6.000 €

On top of Gold advantages:

- 1 extra full registration pass
- Prominent logo exposure: your logo will appear in necklace nametags (only one available) or displayed on the USB stick (only one available). Your logo will be featured prominently on web site and promotional material

If you would prefer to support EuroVis 2022 in other ways, we would be happy to try to accommodate your needs, such as supporting the social event, the welcome receptions, an invited speaker, etc.

We especially welcome sponsors from publishers, start-ups, and non-profit organizations, please, contact us for further inquiries.

All sponsorship opportunities receive appropriate on site recognition before and throughout the conference and the Logo presence on sponsors' page of congress website and in the final programme.

Yours sincerely,  
Giuseppe Santucci  
Tiziana Catarci  
Marco Schaefer
